Clerk Peter D'Allo,

Re: Cases I Filed in this Court:

MR. D'Allo,

I've wrote up to this court more than 1 time <sup>scanned</sup>

And this is getting past ridiculous. I am in prison  
for a crime I did not do, and your court is  
totally disrespecting "me" and my education"

First off the real cases you closed on me and you're  
taking my money on a prison issue case that is not  
the claim I am litigating. "I'm" Being Robbed

And Judge Sue Robinson she already seen the files  
and you also took \$21.00 from me dated

5, 4, 2006 Case # 1-04-CV922 SLR \$21.00

How much do I owe on this case? I want you to send me  
the receipt showing how much I owe!

Also if you are not gonna give me my tuel I  
specifically asked for then I am gonna go into the  
federal Claims Court.

I want 1 Copy of Each case I filed in your  
Court, and the status of each case -  
how much is it for 1 Certified Copy of each Complaint  
I filed signed and Certified By the prothoroty?  
Also I want a Copy of your Courts actual Rules  
and your Court fees the fees to file a lawsuit  
(today) also the other ones I filed that were closed  
how much do I need to pay on them to reopen  
them too?

\* Send me a new  
Receipt with the Balance  
I owe on the Case 5.
